PROPERTY OVERVIEW

Boasting dramatic views, excellent natural light, inspiring outdoor terraces, generous ceiling heights, and expansive column-friendly floor plates, One Five One offers unrivaled future-focused workspace in an incomparable location.

A recently completed $150 million capital improvement program introduced a new lobby and entrances, new elevator cabs with destination dispatch controls, state-of-the-art base building upgrades, and energy efficient technological enhancements to this iconic office tower mere steps from Bryant Park.

Home to the Well& by Durst amenity brand, One Five One’s 45,600-SF state-of-the-art tenant amenity floor seamlessly blends exceptional design with hospitality and sustainability. In addition to an artisanal food hall, the floor provides tenants with a coffee and wine bar, event space, and boutique meeting venues.

YEAR COMPLETED
1999

CAPITAL IMPROVEMENTS
In 2018, The Durst Organization completed a $150 million capital improvement plan to ensure that the best-in-class office tower remains at the forefront of new workspace technology.

BUILDING ARCHITECT
Fox & Fowle

DESIGN ARCHITECT
HOK/BIG (lobby)
STUDIOS Architecture (amenity floor)

LOCATION
151 West 42nd Street, between Avenue of the Americas and Broadway

PROXIMITY TO MASS TRANSIT
Adjacent to fifteen subway lines 1, 2, 3, 7, A, B, C, D, E, F, M, N, R, Q and S on 42nd Street; M42 bus on 42nd Street and M5/M7 bus on 43rd Street; Three blocks from Grand Central Terminal and Port Authority Bus Terminal; One subway stop from Penn Station.

BUILDING HEIGHT
1,120’ to top of spire; 734’ to top of steel

STORIES
48

SLAB TO SLAB HEIGHT
Typically 13’-3”

FLOOR PLATES (LOW/HIGH)
Base: Approx. 47,000 to 55,000 SF
Mid: Approx. 37,200 to 40,600 SF
Tower: Approx. 31,250 to 33,700 SF

TENANT ACCESS
The building access control system provides tenants and visitors convenient, secure access to the building 24/7/365. Tenants are issued security cards to gain entry into the building through proximity card readers located outside the main entrance.

STANDARD HOURS OF OPERATION
The on-site Property Management Office is open 9:00 AM to 5:00 PM, Monday through Friday. Building hours are 7:00 AM to 7:00 PM.

ELEVATORS
30 new destination dispatch passenger elevators with modernized cabs

FREIGHT ELEVATIONS
Two freight elevators: 9’-0” deep x 5’-10” wide x 8’-0” high

DELIVERIES/LOADING DOCK
The loading dock is located at 144 West 43rd Street. Deliveries requiring freight elevator service may be made Monday through Friday during regular freight hours (7:00 AM to 7:00 PM, excluding holidays). The loading dock measures 70’ wide x 25’ deep x 20’ high.

PROPERTY FEATURES

LOBBY
A dramatic thru-block lobby features a soaring two-story entrance at One Five One. The renovations accentuate greater natural light at the entry and brighten the interior. Features include gray mist granite flooring, a new signature cascading ceiling, new turnstiles and concierge desk, a new destination dispatch elevator system and modernized elevator cabs.

TERRACES
Ten outdoor tenant-exclusive terraces ranging in size from 680 SF to 5,760 SF.

CURTAIN WALL WINDOWS
The building envelope is contemporary, energy efficient, and provides sweeping views of midtown Manhattan’s most iconic locations. Expanses of glass allow daylight to permeate into both base and tower floors. Thin mullions and a favorable grid layout allow for more unobstructed views and significant layout flexibility. Thermally broken aluminum frames house energy efficient glazing. Typical window heights are 9’-0”.

FLOOR PLATES
Clean, open floor plates – ranging from 38,000 to 55,600 SF – allow for flexible user layouts. Raised floors provide for flexible power and data planning. Building systems and infrastructure are centrally located and accessible on each floor, allowing for open space planning as well as access to daylight and views.

DHS SAFETY ACT DESIGNATION
The Durst Organization’s One Five One Security Program has been awarded a SAFETY Act Developmental Testing and Evaluation Designation.

AMENITIES
The Durst Organization launched amenity brand Well& by Durst on the 4th floor at One Five One. Well& by Durst provides sustainable spaces that promote wellness and community where our tenants and their guests can eat, play, work, and thrive. The Well& by Durst food hall offers a multitude of artisanal farm-to-table offerings. The Green, a wine and cocktail bar, is the social heart of the floor. Flexible meeting and event space are available for hosting conferences, town halls, corporate events, and more.
**PROPERTY FACT SHEET**

---

**SUSTAINABILITY**
- Built in 1999, One Five One is recognized as the nation’s first “green skyscraper”
- LEED Gold certification under LEED v4 Existing Buildings: Operations + Maintenance
- Pre-packaged LEED v4 Commercial Interiors Certification guidelines for tenant use
- New Building Management System, natural gas condenser boiler, and chilled-water air conditioning system with individual air handling units to ensure tenant comfort while allowing for individualized control
- EPA Water Sense-labeled new plumbing fixtures to promote high-performance and water efficiency
- Tenant recycling program and organics collection program for composting
- Use of green cleaning products, equipment and strategies to promote a healthier work environment
- Renewable wind power is purchased to offset 100% of the building’s electricity use
- Green roofs and exclusive outdoor terraces

---

**POWER & UTILITIES**
The mechanical systems at One Five One have undergone extensive upgrades. High efficiency chillers, boilers, motors, and variable frequency drives improve the efficiency of building systems. Upgraded building automation and temperature control systems allow for accurate temperature delivery. Demand-controlled ventilation through the installation of CO₂ sensors at each air handling unit allow monitoring of ventilation rates in accordance with ASHRAE 62.1. Advanced monitoring and controllability allows building engineers to minimize potentially wasted energy from over-ventilating and/or uncalibrated heating or cooling efforts.
